A Perfect Moral Storm The

Perfection is a state, variously, of completeness, flawlessness, or supreme excellence.. The term is used to designate a range of diverse, if often kindred, concepts. These have historically been addressed in a number of discrete disciplines, notably mathematics, physics, chemistry, ethics, aesthetics, ontology, and theology.

Usage Note: The adjective perfect is often considered an absolute term like chief and prime; some maintain that it therefore cannot be modified by more, quite, relatively, and other qualifiers of degree. But the qualification of perfect has many reputable precedents (most notably in the preamble to the US Constitution in the phrase "in order to form a more perfect Union").
