### **Augustine S Laws And Major**

The original bookform of Augustine's Laws, now published in six languages, contained 52 laws. But, it has turned out that creating laws is such a target-rich battlefield that I have now collected more than enough material to proclaim yet another 52 laws—but, probably fortunately, with no time to record them.

Augustine's laws. Augustine's laws were a series of tongue in cheek aphorisms put forth by Norman Ralph Augustine, an American aerospace businessman who served as Under Secretary of the Army from 1975 to 1977. In 1984 he published his laws. The book and several of the laws were the topic of an article in Sound and Vibration magazine in March 2012.

Norman Augustine is an aeronautical engineer whom I have referred to often in this blog mainly due to his book "Augustine's Laws" of which I wrote a review (find it here). He started working at Douglas Aircraft Company (1) in 1958, though through his long career he has occupied several positions in the administration and other major aerospace companies such as Martin Marietta and then ...
