Aws Certified Solution Architect Associate

Note: Our course material, like the AWS certification exams, are continually evolving. We have released a new version of the 2019 course, with a stronger and deeper focus on architectures in general, high availability, and the services you do need to know in greater depth. For a limited time only, we are making both the 2018 and 2019 versions of the course available to you, at no extra charge.
