Black Edge Inside Information Dirty

Inside Information is the sixth studio album by the British-American rock band Foreigner, released on December 8, 1987. The album hit #15 on the Billboard 200 Albums Chart and was certified Platinum in the U.S. for sales exceeding one million copies. Although a huge standard by any country's charting method, the band's sales were certainly plummeting since the release of 4 in 1981.
