The buttered cat paradox is a common joke based on the tongue-in-cheek combination of two adages: . Cats always land on their feet.; Buttered toast always lands buttered side down.; The paradox arises when one considers what would happen if one attached a piece of buttered toast (butter side up) to the back of a cat, then dropped the cat from a large height.

I've decided to take the 50-book challenge again in 2010. I have tried this a few times before and come up short. I'm sure I made it well past 50 in my youth, when I had more free time, and although I always seem to lose count nowadays, I think the best I've done in recent years is probably in the 35-40 range.
