Pie crust In its most basic definition, pie crust is a simple mix of flour and water. The addition of fat makes it pastry. In all times and places, the grade of the ingredients depends upon the economic status of the cook.

### **Food Timeline: history notes-pie & pastry**

Gravy is a sauce often made from the juices of meats that run naturally during cooking and thickened with wheat flour or corn starch for added texture. In the United States and Singapore, the term can refer to a wider variety of sauces. The gravy may be further colored and flavored with gravy salt (a simple mix of salt and caramel food coloring) or gravy browning (gravy salt dissolved in water ...

The 1940s were all about rationing, protein stretching, substitutions, rediscovering "grandma's foods", and making do with less. Home cooks made sugarless cookies, eggless cakes, and meatless meals. Cookbooks, magazines, government pamphlets, and food company brochures were full of creative ideas for stretching food supplies.

General Information Daily Meals. The Vikings customarily ate two meals each day. The first, dagmál or "day-meal" was eaten in the morning, approximately two hours after the day's work was started (7 AM to 8 AM or so), while the second, náttmál or "night meal" was consumed at the end of the day's labor (7 PM to 8 PM or so). These times would vary seasonally, depending on the hours of daylight.

Northern England, also known as the North of England or simply the North, is the northern part of England, considered as a single cultural area. It extends from the Scottish border in the north to near the River Trent in the south, although precise definitions of its southern extent vary. Northern England approximately comprises three statistical regions: the North East, North West and ...
