Something about lemon says summer to me, perhaps it's the color? I'm not quite sure but I do know the color yellow makes me happy and so do these little portion controlled cheesecake cups. Although these are meant to be eaten for dessert, I figured cream cheese, fruit and yogurt could easily be ...

The reamer and press did a pretty decent job extracting the juice from my lemons. I estimate 80%

yield - I was able to get a little more juice out of each half using my wood reamer, but this juice was very pulpy and not really worth the extra effort.
