Learn how to write a convincing journal submission cover letter, starting from what to include and exclude. FREE downloadable template (with notes) included!

### **How to Write the Best Journal Submission Cover Letter ...**

Many journals request electronic submissions. If your journal asks authors to email electronic files, you may use either the email itself as the cover letter or include, as attachments, both your article and a one-page cover letter. Your cover letter to the journal editor should include only the information outlined below.

### **Journal Article Cover Letter - Academic Coaching & Writing**

Some journals have very specific requirements for information to provide in the cover letter, and these are usually stated in the journal's instructions to authors. Make sure your cover letter includes any journal-required elements. Strong cover letters tell journal editors why they should publish your manuscript in their journals.

### **Writing Cover Letters for Scientific Manuscripts**

Cover Letter Template When you submit your article to a journal, you often need to include a cover letter. Before you start to write though, check the instructions for authors (IFAs) of your chosen journal, as not all journals require a cover letter.

### **Cover Letter Template - Author Services**

This information is probably available through the journal's online submission system, but it is proper to provide it in the cover letter, too. Begin your cover letter with a paragraph that states the name of the manuscript and the names of the authors. You can also describe what type of manuscript your submission is (research article, review ...

### **Writing a Journal Cover Letter [Free Template] | AJE ...**

One of the most neglected aspects of journal submission is the cover letter. Although it may seem like a formality, the cover letter is actually an important part of the submission process. The cover letter is your chance to tell the editor about your manuscript, why it is important, and how it fits into the scope of their journal.

### **Writing a Cover Letter for Journal Submission - Enago Academy**

A well-written, properly formatted cover letter is the first impression an editor of a journal has of the submitting author. Make sure that your cover letter is free of typographical errors, misspellings, casual language, and any other idiosyncrasies such as a nonstandard font. A good cover letter will ensure that the content of your article is given serious consideration by the journal's editors.

### **Academic Guides: Writing for Publication: Cover Letters**

The cover letter should address the journal editor directly and convince them that your research is both worthy of review and a good fit for their journal. You want the reader to know that you are interested in being published with them, not simply in being published. Most journals provide editor contact information on their websites. Where ...

### **How to write a cover letter for your academic journal article**

Review the particular instructions to authors of the journal to which you are submitting your work and follow their guidelines about how to format the submission, including cover letter instructions. The following points, though, highlight what is most often expected of cover letters. Use letterhead paper if the journal requires a paper submission.

### **Writing a Cover Letter for a Journal Article Submission**

specific reasons for your suggestion in the comments box for each person. Please note that the journal may not use your suggestions, but your help is appreciated and may speed up the selection of appropriate reviewers. Reviewers' field: No. 1: First Name Middle Initial Last Name Academic Degree(s) Position Department Institution

### **COVER LETTER FOR SUBMISSION OF MANUSCRIPT**

Your cover letter may be reviewed by Human Resources department staff to determine if you meet the basic qualifications for the job. If it does, it will be forwarded to a search committee comprised mostly of faculty members and academic deans.

### **How to Write an Academic Cover Letter With Examples**

A good cover letter can help to "sell" your manuscript to the journal editor. As well as introducing your work to the editor you can also take this opportunity to explain why the manuscript will be of interest to a journal's readers, something which is always at the forefront of editors' mind.

### **Cover letters - Springer**

Submitting the Manuscript to the Journal. In general, you will need to submit several things to the journal when you submit your manuscript: a cover letter, the manuscript, and a signed copyright transfer form. Today electronic submission of manuscripts is increasingly common.
