Discovery learning is a kind of teaching that is based on the student finding things out for themselves, looking into problems, and asking questions. Essentially, it's all about students coming to their own conclusions and asking about things in their course that might not make particular sense.

### **What is Discovery Learning? - Worksheets, Lesson Plans ...**

Remember that while a discovery learning curriculum is not for everyone, you can incorporate some of the basic principles into your everyday lesson plans. Plan a few discovery learning activities for your early childhood classroom and see if your students will benefit from this type of curriculum. References: Taylor, Barbara J.
