

Divorce Techniques Helping Kids Cope With Their Parents Separating Divorce

Divorce Techniques Helping Kids Cope

Divorce can put a strain on every member of the family, especially children. Learn how to talk to your kids about divorce and help them to cope.

How to Talk to Your Kids about Divorce and Help Them to Cope

Kids thrive on familiarity and routines, so to learn that they are moving can be traumatic. Whether your decision to move is optional or not, some kids may have trouble understanding it, especially if they were not involved in the decision making process.

Helping Kids Cope With Moving - Child Development Institute

A breakup or divorce can be one of the most stressful and emotional experiences in life. Whatever the reason for the split—and whether you wanted it or not—the breakup of a relationship can turn your whole world upside down and trigger all sorts of painful and unsettling emotions. As well as ...

Dealing with a Breakup or Divorce - HelpGuide.org

As a parent, you can't protect your children from grief, but you can help them express their feelings, comfort them, help them feel safer, and teach them how to deal with fear. By allowing and encouraging them to express their feelings, you can help them build healthy coping skills that will serve them well in the future, and confidence that they can overcome adversity.

The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or "soft" skills — qualities like perseverance, conscientiousness, self-control, and optimism — play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

Helping Children Succeed - What Works and Why

Bullying, as you may or may not be aware, is not simply a case of one child - or group of children - physically attacking a child. There can be name calling, periods of prolonged psychological attack including name calling and rumour mongering, and now with the advent of technology which is widely and cheaply available to all (the Internet and mobile telephones) attacks on an individual of ...
