Mutant and Creepy Mutant Patrols - Possibly the most dangerous patrol to come across. Consists of 2-3 armsies, Virginias and cowmen, (mutant babies too if a Virginia is present), as well as 2-3 mutants, often skinny types. These patrols are slow moving, and the mutants will walk at the same speed as the slower moving mutants.

There are a couple of reasons to give SteamDB game keys on Steam. The primary reason, is that ownership of a game allows our bot to download and track file lists in each depot the license grants (here's an example for CSGO), and the second reason is that it allows the bot to get common information for the game if it is not yet public (e.g. beta for kickstarter backers).
