Political theology investigates the ways in which theological concepts or ways of thinking relate to politics, society, and economics. It has often been affiliated with Christianity, but since the 21st century, it has more recently been discussed with relation to other religions.

Political theology - Wikipedia

Theology is the critical study of the nature of the divine. It is taught as an academic discipline, typically in universities and seminaries. Theology is the study of deities or their scriptures in order to discover what they have revealed about themselves. It occupies itself with the unique content of analyzing the supernatural, but also especially with epistemology, and asks and seeks to ...
