A single individual is enough for hope to exist, and that individual can be you, says His Holiness Pope Francis in this searing TED Talk delivered directly from Vatican City. In a hopeful message to people of all faiths, to those who have power as well as those who don't, the spiritual leader provides illuminating commentary on the world as we currently find it and calls for equality ...

Why the only future worth building includes everyone - TED

First and foremost, I would love it if this meeting could help to remind us that we all need each other, none of us is an island, an autonomous and independent "I," separated from the other, and we can only build the future by standing together, including everyone.

I'm with you on the anti-budget. I tried budgeting for a while using various methods, but given my tedious and obsessive habits (I literally would spend a half hour to find out why my reconciled accounts were off by 2 cents) I decided it wasn't for me.

The 12 Essential Money and Life Lessons I Want to Share

Have you ever had an epiphany? One of those "a-ha" moments where something just clicks for you? Maybe it's something you've been struggling with for a long time, or maybe it was a piece of advice you learned from a friend. Whatever the source of our insight, it's these moments that bring us to a deeper understanding of our world. The better understanding we have of life, the more we ...
