Exploring Urban Secrets Abandoned And

Urban exploration (often shortened as UE, urbex and sometimes known as roof-and-tunnel hacking) is the exploration of man-made structures, usually abandoned ruins or not usually seen components of the man-made environment. Photography and historical interest/documentation are heavily featured in the hobby and, although it may sometimes involve trespassing onto private property, this is not ...

The Walls. High-denier industrial nylon fabrics are the way to go: in top quality luggage, the main choices are ballistic and Cordura® nylon, differences between the two being largely cosmetic in nature. Ballistic is a filament yarn, thus smooth and slick, with a very synthetic appearance, which some consider a "high tech" look (and which doesn't dye easily, so is often sold only in black).
