Today's guest blog comes from therapist Teresa Maples, who does an excellent job of explaining the different stages of romantic relationships. My takeaway: don't make any lifelong decisions (like marriage!) until you get to stage two. We have all been exposed over and over to romantic stories from movies and television, and the story always ends when the romantic partners finally get ...

How Many Stages Are There in a Romantic Relationship?

An interpersonal relationship is a strong, deep, or close association or acquaintance between two or more people that may range in duration from brief to enduring. This association may be based on inference, love, solidarity, support, regular business interactions, or some other type of social connection or commitment. Interpersonal relationships thrive through equitable and reciprocal ...
