From the Pyramids of Giza to the Memphis Pyramid, human beings have been making these triangular structures for eons. Because the structures have appeared in many ancient cultures across the globe, most children learn about pyramids several times over the course of their education. A popular school project is for ...

How to Build a Pyramid for a School Project | Sciencing

The rain stick is a traditional Native American instrument that simulates the sound of rain. To make one, you will need an empty paper towel tube, heavy-duty aluminum foil, two rubber bands, dried beans, and painting supplies.
