International Paper is committed to making quality products and ensuring responsible stewardship of the forests that supply our wood. We have a Global Responsible Fiber Procurement Policy that states we will not knowingly accept fiber from illegally logged forests or from forests where high conservation values are threatened by management activities.

Sustaining Forests - International Paper

Who We Are. International Paper is one of the world's leading producers of fiber-based packaging, pulp and paper. We create packaging products that protect and promote goods, enable worldwide commerce and keep consumers safe; pulp for diapers, tissue and other personal hygiene products that promote health and wellness; and papers that facilitate education and communication.

Webinar | AMA American Management Association

In business theory, a disruptive innovation is an innovation that creates a new market and value network and eventually disrupts an existing market and value network, displacing established market-leading firms, products, and alliances. The term was defined and first analyzed by the American scholar Clayton M. Christensen and his collaborators beginning in 1995, and has been called the most ...
