

Governance As Leadership Reframing The Work Of Nonprofit Boards Hardcover

Governance As Leadership Reframing The

The Source: Twelve Principles of Governance That Power Exceptional Boards defines governance not as dry, obligatory compliance, but as a creative and collaborative process that supports chief executives, engages board members, and furthers the causes they all serve.

The Source: Twelve Principles of Governance That Power ...

“Becoming a board that truly practices governance as leadership by thinking and working in three modes—as fiduciaries, strategists, and sense-makers—is complex and typically requires board and staff members to overcome any number of obstacles, fears, and apprehensions in attempting to break free of the status quo.

Three Aspects of Governance | Trower & Trower

Introduction. In an article entitled 'Distributed properties: a new architecture for leadership', Peter Gronn (2000) outlined the concept of 'distributed leadership' (DL) as a potential solution to the tendency of leadership thinking to be divided into two opposing camps: those that consider it largely the consequence of individual agency (e.g. Bass 1985) and those that present it as ...
