This article is a revised and updated version of testimony presented to the U.S. Senate Aging Committee on April 27, 2017. Introduction. Our social relationships are widely considered crucial to emotional well-being; however, the possibility that social connection may be a biological need, vital to physical well-being and even survival, is commonly unrecognized.

Globalization of the economy, the explosion of population growth, technological changes and international competition compels the student to understand, both personally and globally, production, distribution, and consumption of goods and services.

Social Studies Online - Jefferson County Public Schools

John Caldwell Holt (April 14, 1923 - September 14, 1985) was an American author and educator, a proponent of homeschooling and, specifically, the unschooling approach, and a pioneer in youth rights theory. After a six-year stint teaching elementary school in the 1950s, Holt wrote the book *How Children Fail* (1964), which catalogued the problems he saw with the American school system.

John Holt (educator) - Wikipedia

Henry Holt and Company is an American book publishing company based in New York City. One of the oldest publishers in the United States, it was founded in 1866 by Henry Holt and Frederick Leypoldt. Currently, the company publishes in the fields of American and international fiction, biography, history and politics, science, psychology, and health, as well as books for children's literature.

In this research we examine estimates of American social class mobility—the ability to move up or down in education and income status. Across studies, overestimates of class mobility were large and particularly likely among younger participants and those higher in subjective social class—both measured (Studies 1-3) and manipulated (Study 4).

Americans overestimate social class mobility - ScienceDirect
