Great Depression History - HISTORY

The Great Depression was an economic slump in North America, Europe, and other industrialized areas of the world that began in 1929 and lasted until about 1939. It was the longest and most severe depression ever experienced by the industrialized Western world. Though the U.S. economy had gone into depression six months earlier, the Great Depression may be said to have begun with a catastrophic ...

About the Great Depression - english.illinois.edu

GREAT DEPRESSION, the longest, deepest, and most pervasive depression in American history, lasted from 1929 to 1939. Its effects were felt in virtually all corners of the world, and it is one of the great economic calamities in history. In previous depressions, such as those of the 1870s and 1890s, real per capita gross domestic product — the sum of all goods and services produced, weighted ...

Great Depression | Encyclopedia.com

Great Depression, worldwide economic downturn that began in 1929 and lasted until about 1939. It was the longest and most severe depression ever experienced by the industrialized Western world, sparking fundamental changes in economic institutions, macroeconomic policy, and economic theory. Although it originated in the United States, the Great Depression caused drastic declines in output ...

Great Depression | Definition, History, Causes, Effects ...

The depression was caused by a number of serious weaknesses in the economy. Although the 1920s appeared on the surface to be a prosperous time, income was unevenly distributed. The wealthy made large profits, but more and more Americans spent more than they earned, and farmers faced low prices and heavy debt. The lingering effects of World War I (1914-1918) caused economic

What was the Great Depression and why did it start in the ...

The Great Depression, which lasted from 1929 to 1941, was a severe economic downturn caused by an overly-confident, over-extended stock market and a drought that struck the South.

A Short History of the Great Depression - ThoughtCo

For Kids - What was the Great Depression? The period from 1929 to 1941 was a time when America's economy was not working. Many banks failed, many people lost their homes, and many farmers lost their farms.

The Great Depression for Kids and Teachers

The Great Depression began in August 1929, when the United States economy first went into an economic recession. Everyone in the Great Depression struggled financially due to the collapse of the banking system. Although the country spent two months with declining GDP, it was not until the Wall Street Crash in October 1929 that the effects of a declining economy were felt, and a major worldwide ...

Great Depression in the United States - Wikipedia

The worldwide Great Depression of the early 1930s was a social and economic shock that left

millions of Canadians unemployed, hungry and often homeless. Few countries were affected as severely as Canada during what became known as the "Dirty Thirties," due to Canada's heavy dependence on raw material and farm exports, combined with a crippling Prairies drought known as the Dust Bowl.

The Great Depression Definition - Investopedia

As news of the stock market crash spread, customers rushed to their banks to withdraw their money, sparking disastrous "bank runs." Nobel prize-winning economist Milton Friedman argues that the 1930s market crash itself did not cause the depression, but rather it was the collapse of the banking system during waves of public panic during 1930-1933.

50 Interesting Great Depression Facts | Fact Retriever

Did the 1930s Depression cause the war? There is no doubt that the Great Depression helped to bring war: Unemployment. Mass unemployment (eg Germany) and poverty (eg Japan silk workers) caused great anger = people put in power/accept right-wing, dictatorial governments who told them their country was superior and it was OK for them to take what they wanted by force.
