I am not a list person. This is one of the reasons that you don’t see a whole lot on this site. But I also understand that it’s nice to get a list of movies to serve as a good jumping off point for people who have just discovered pre-Code cinema or for people who love films of the early 30s to compare and contrast my selections with their own.

My List of Essential Pre-Code Hollywood Films

Anti-abortion violence is violence committed against individuals and organizations that provide abortion. Incidents of violence have included destruction of property, in the form of vandalism; crimes against people, including kidnapping, stalking, assault, attempted murder, and murder; and crimes affecting both people and property, including arson and bombings.

The Bury Your Gays trope in media, including all its variants, is a homophobic cliché. It is the presentation of deaths of LGBT characters where these characters are nominally able to be viewed as more expendable than their heteronormative counterparts. In this way, the death is treated as exceptional in its circumstances.
