Journal Prompts in Kindergarten for Daily Math Practice

The math journals I use in kindergarten are similar to those I use with more experienced writers. A few adaptations help me meet my students where they are and provide the necessary supports to take them to the next level. My kindergarten journals include the following sections:

Math Journals in Kindergarten | TheDailyCAFE.com

Use math journals to give students opportunities to write about their thinking. We started our kindergarten math journals journey last year with the adoption of the Common Core Standards. We implemented math journaling as a way for students to work through multi-step math work independently (or attempt to anyhow) and for them to explore expressing their thinking in written form using pictures ...
