The Book of Awakening, a cult favorite since its original publication in 2000, catapulted to fame in 2010 after it was chosen as one of Oprah Winfrey's favorite things. This gift edition with sewn binding and a ribbon marker reflects the book's odyssey as a well-beloved daily companion. Mark Nepo wrote the book more than a decade ago, in response to his journey through cancer a decade before that.

Though no one likes it, each of us will find ourselves broken at some point in our journey. When we find ourselves there, what do we do? I've been broken many times—through illness, through the loss of a job, through the derailment of a dream and most recently, through the death of my father. For ...

A community of optimists hosted by Melinda Gates. My new book, The Moment of Lift, is about empowering women and girls to rise. For me, the title brings back childhood memories of watching the Apollo launches, the unforgettable sight of a rocket breaking the bonds of gravity and shooting into the sky.
