Hi Robert, I am sorry, but I haven't seen any case indicate that this issue could be caused by the incompatibility. Meanwhile, I don't think there is incompatibility between Office 2016 and Office 365. The Office 365's current Office Desktop App is Office 2016. The only difference between them is Office 365 subscribers may have more new features in their Office app.

Office 365 excel - 'we found a problem with some content ...
