And Teachers M Shannon Helfrich*

Montessori Learning In The 21st

2. Choosing a school. For general advice on how to choose and evaluate private schools, check out our choosing a school guide and read advice from leading education experts. For advice on choosing Montessori schools, read our main Montessori school guide and our Montessori choosing guide. For advice on finding the right preschool, read our preschool choosing guide.

Montessori preschool near you | Preschool Montessori

HOME Bloomington Montessori School is a privately funded, not-for-profit school (preschool - age 3 through grade 6). The school was founded in 1968, by a group of parents who wanted Montessori education for their children. The school moved to its present location in 1983 and was expanded for the third time in 2012. The ...

The Montessori Method of Education often attracts parents of children with ADHD because of its individualized learning methodology, but is this really the best method for children with ADHD?

The ADHD Child and the Montessori Classroom | Owlcation

Democratic education is an educational ideal in which democracy is both a goal and a method of instruction. It brings democratic values to education and can include self-determination within a community of equals, as well as such values as justice, respect and trust. Democratic education is often specifically emancipatory, with the students' voices being equal to the teacher's.
