To add your essay on anarchism, please send it in an e-mail to info[at]anarchism.net To Anarchism We Must Go! [July 6, 2007] The state, i.e., government, is usually described in fluffy terms so that its true nature is hidden in positive and value laden terminology with sole purpose to hide what it is all about. Jamie Poole knows how to spell the truth and doesn't fear to do so--with no fluff.

It can make it easier to think that classes map to tables, and in a way they do, but not always directly. Except for very simple databases you will never have a one-to-one mapping of classes to tables, something you will see later in this article with regards to inheritance mapping. However, a common theme that you will see throughout this article is that a one class to one table mapping is ...
