The Unione Siciliana was as mysterious an organization as the Mafia, the Black Hand and the Camorra. In some circles there is still a belief that the Black Hand, known in Italy as Mano Nera, became the Mafia and in turn the Unione Siciliana.

Rated 5 out of 5 by steve7176 from Great doorbell. Worth the money This is the loudest doorbell I could find (without getting a custom-made one). Easy to install. Uses 2 9V batteries when replacing a standard 2-chime bell (that comes in new homes). If you are installing it on drywall, you will need to buy drywall anchors (not expensive), as the ones provided will not do the job.
