The weighted average cost of capital (WACC) is one of the key inputs in discounted cash flow (DCF) analysis and is frequently the topic of technical investment banking interviews.. The WACC is the rate at which a company's future cash flows need to be discounted to arrive at a present value for the business.

WACC (Weighted Average Cost of Capital): WACC Formula and ...

The 14 Most Common College Interview Questions. The questions I'm listing and explaining were either referenced in multiple admissions websites and interview advice guides, or are general enough that you'll be able to answer a number of similar questions by preparing for them.. Below, I provide you with each question.

The 14 College Interview Questions You Must Prepare For

I would say that the candidate does not need to understand a lot of business concepts in depth to succeed, but understanding these concepts will enrich your speech and make you more confident about what you are saying, so I would recommend doing this, at least for the most frequent concepts in business cases.
