I have just come across clarification on a statistic I cited in "Can Relationships That Start as Affairs Succeed? " In that post I stated that 25% of relationships that start as affairs succeed.

### **Can Relationships That Start as Affairs Succeed ...**

I came across an interesting statistic recently; 25% of relationships that start as affairs succeed. "Succeed" is defined as the couple staying together, rather than by the quality of the relationship.

### **Can Relationships That Start as Affairs Succeed?**

Relationships with any narcissist suffer because it's always about them. They're so wrapped up in themselves and their desires that there's no room to consider others. And because they can't really concern themselves with you or your needs, intimacy suffers.

The range and capability of technology today is truly amazing but without great people nothing happens. Those with the ability to see what is really needed, the tenacity to jump all the hurdles, customer focused, totally committed, no ego, hell bent on delivering results - they are the ones that make the real difference - they are the ones we seek, nurture and empower.
