Eddard "Ned" Stark is a fictional character in the 1996 fantasy novel A Game of Thrones by George R. R. Martin, and Game of Thrones, HBO's adaptation of Martin's A Song of Ice and Fire series. In the storyline, Ned is the lord of Winterfell, an ancient fortress in the North of the fictional continent of Westeros. Though the character is established as the main character in the novel and the ...

Jurassic Park is an American science fiction media franchise centered on a disastrous attempt to create a theme park of cloned dinosaurs. It began in 1990 when Universal Pictures and Amblin Entertainment bought the rights to the novel by Michael Crichton before it was even published. The book was successful, as was Steven Spielberg's 1993 film adaptation, which led to four sequels, although ...

The tagline for Game of Thrones season 8 is "For the Throne." While the series will presumably end with a main character gaining control of Westeros and sitting atop the Iron Throne, the primary storyline is expected to correlate with The Battle of Winterfell. In season 7, House Stark's Jon Snow gains support from both House Targaryen and House Lannister for The Great War against the ...

Good Omens is scheduled to release on Amazon Prime on May 31 - this coming nearly two-and-a-half-years after the series was first green-lit. Given the scope of Good Omens' story, it makes sense that Gaiman and company would take their time. Good Omens' May 31 release date has significance because that's the deadline to qualify for Emmy Awards consideration.
