### **Revelation Z Graphic Novels Hand**

The graphic novel series bogged down a little during volumes four and five, but that's really my only complaint. Hand of the Morningstar is a complex super-hero story. The heroes aren't all heroes. Some of the bad guys use language and phrases like a church-going person might use . . . and that's terrifying.

### **Indoctrination (Hand of the Morningstar #5) | Family Fiction**

The big decision to create a graphic novel adaptation of The Book of Revelation was a very thought-out, much-discussed collaborative one. Here's some backstory... In 2009 I was commissioned to illustrate a 130-page graphic novel written by L.A.-based Matt Dorff (the adapter of the Revelation script), titled Battle Surgeon.
