PTE Short Answer Questions Repeated - Picture Based ...

Short Answer Questions Definition. Short answer questions generally ask for brief, text-based responses and may also be referred to as fill-in-the-blank; or completion questions.. Variations of the short answer question may request a list of terms or rules in which the order is not important, or may require a numerical or formula response.

Short Answer Questions Definition

There are a number of advantages to using open-ended, text-based questions. Open-ended, text-based questions:

- Allow multiple entry points for students. Students are able to answer the question from their perspective.
- Provide teachers with a window into students' thinking and comprehension of a text.
