Celtic "Triquetra" mandala. However, Jung's interpretation of the mandala is only one of many interpretations. In Tibet, for example, mandalas are created as meditation aids for the Buddhist monks who design them. In Islam, mandalas are created purely for devotional purposes, and in Celtic paganism, the mandala represents the three worlds of body, mind and spirit.

A goal is an idea of the future or desired result that a person or a group of people envisions, plans and commits to achieve. People endeavor to reach goals within a finite time by setting deadlines.. A goal is roughly similar to a purpose or aim, the anticipated result which guides reaction, or an end, which is an object, either a physical object or an abstract object, that has intrinsic value

In finance, a short sale (also known as a short, shorting, or going short) is the sale of an asset (securities or other financial instrument) that the seller has borrowed in order to profit from a subsequent fall in the price of the asset. After borrowing the asset, the short seller sells it to a buyer at the market price at that time. Subsequently, the resulting short position is "covered ...
