

## *Sports Law In The United States*

### **Sports Law In The United**

Sports law in the United States overlaps substantially with labor law, contract law, competition or antitrust law, and tort law. Issues like defamation and privacy rights are also integral aspects of sports law. This area of law was established as a separate and important entity only a few decades ago, coinciding with the rise of player-agents and increased media scrutiny of sports law topics.

United States Antitrust law is a collection of federal and state government laws that regulates the conduct and organization of business corporations, generally to promote fair competition for the benefit of consumers. (The concept is called competition law in other English-speaking countries.) The main statutes are the Sherman Act of 1890, the Clayton Act of 1914 and the Federal Trade ...
