The Brain That Changes Itself: Stories of Personal Triumph ...

I first discovered Norman Doidge's book, The Brain That Changes Itself, in a May, 2007 review in the New York Times. Intrigued, but caught up in myriad end-of-school-year responsibilities, the book was put out of my mind until later that summer, when our schools learning ...

Neuroplasticity and the Brain That Changes Itself ...

"The Brain That Changes Itself Summary" The brain is self-sufficient, even though it seems odd and surreal. The bottom line is that not only our brain can heal itself, It can also improve the "status" of other internal organs. A proven theory, and endorsed by many renowned scientists and experts.
