The Museum Time Machine: Putting Cultures on Display

Although somewhat belatedly compared with Scandinavian countries and North America, the post-war period has witnessed a flurry of new museum initiatives- folk museums, open-air museums, living history farms-oriented toward the collection, preservation, and display of artefacts relating to the daily lives, customs, rituals, and traditions of non-élite social strata.

Amazon.com: The Museum Time Machine (Comedia ...

Museums are an international growth industry. It is through museums that societies represent their relationship to their own history and to that of other cultures and people. Today, there are great differences and conflicts both inside and outside museums about how this should best be done, leading those concerned with running them to question the traditional concepts of what a museum is, what ...

The museum time-machine. Putting cultures on display.

In one sense our interest in the area exactly reflects the most recent phase of the increasing lure of historical tourism in general, and in the West Midlands the gradual ascendancy of the Ironbridge

Gorge Museum Trust (hereafter the Trust) in particular.

The making of the English working past: a critical view of ...
