### **The Necessary Revolution The Pain**

I had the opportunity to participate in the May Day festivities in Havana, Cuba this year and jumped at the chance. Never having traveled to Cuba before I was not sure what to expect but I was also excited at the prospect of getting to meet people and learn something about this island nation that has been a thorn in the side of American imperialism for 60 years.

### **Permanent Revolution**

Meaning. According to former vocalist Adam Gontier, "Pain" is "a song about feeling like you're constantly numb to things around you, thanks to your own actions, and it's about being sick of that feeling.". Chart performance "Pain" has become the band's biggest hit to date. It reached number one on the Billboard Modern Rock Tracks chart for four consecutive weeks, becoming their biggest hit on ...
