That Was Then This Is Now is a film based on the S.E Hinton novel of the same name. S.E Hinton is a great author and I have read most of her books. The Outsiders is her best book, this is her second best, Rumble Fish is her third best and Taming The Star Runner is her fourth best. While Rumble Fish is her third best novel, it is the greatest ...

Some people argue that things just aren't the way they used to be, and these then and now illustrations prove just that. We've all heard older relatives or parents say that they used to only have one TV and no remote, or that they were paddled in school and no one fussed about it. Ring any bells? There's always that great divide of how good -- or bad -- things were back then.
