Drone basics. If you undock with drones in your drone bay, you will see a new window for controlling drones appear on your screen. Through this window you can launch drones from your drone bay, give commands to them once they are in space (for instance, to attack a target, orbit your ship, or mine an asteroid), and recover them (bring them back into your drone bay).

Aegon is a son of Rhaegar Targaryen, who was himself the eldest son of Aerys II Targaryen, which would, under normal circumstances, place Aegon higher in the Targaryen succession line than both Viserys (Aerys II's second son) and Daenerys (the daughter of Aerys II). However, documents from the end of King Aerys II's reign give doubt to the fact that Aegon's claim is truly stronger.
